12 weeks of winter and beyond uncharted territory after sudden death

12 weeks of winter pdf

12 weeks of winter and beyond uncharted territory after sudden death Winter training based on your fitness. In the first week of the 12-week winter training program you'll perform two separate tests to figure out your current fitness. All future intervals are based on these tests. As you get stronger, there is a natural progression in the challenges you'll meet in the three weekly interval sessions.
