1999 ap biology test answer key The SAT Subject Test in Biology is the name of a one-hour multiple choice test given on biology by The College Board. A student chooses whether to take the test depending upon college entrance requirements for the schools in which the student is planning to apply. Until 1994, the SAT Subject Tests were known as Achievement Tests; and from 1995 until January 2005, they were known as SAT IIs.
