2001 mustang mpg Rated 5 out of 5 by MSchneid from Only tuner that does what I want As a tuner I guess it is as good as any. Seemed to improve performance and shifting. I really bought it because I can control my fan when it starts to run hot. I would like to see it re-adjust fan "on" control rather than manual but will work with it as is.

2001 mustang mpg I have a few things to chime in here... I would say that American cars are not engineered nearly as well as the Japanese or German counterparts. It's not even close. I really don't think the two are in the same universe. I've worked on a LOT of cars over the years, and I have run into a lot of head ...
