2003 mazda protege5 service manual Mazda's automotive plans for the early sixties consisted of growing alongside the Japanese economy. To achieve this goal, they began by building an extremely affordable Kei car, the R360 in 1960, planning on introducing gradually larger and pricier cars as the Japanese customers became able to afford them. [citation needed] As a preview, testing the waters, a larger "Mazda 700" prototype was ...
