2 dvd installations eija pdf

2 dvd installations eija liisa ahtila and ann sofi sidtn perspectives 122 Video installation is a contemporary art form that combines video technology with installation art, making use of all aspects of the surrounding environment to affect the audience. Tracing its origins to the birth of video art in the 1970s, it has increased in popularity as digital video production technology has become more readily accessible. Today, video installation is ubiquitous and ...
