Read Book [PDF] Book Face the Music A Life Exposed by All

about face the life and times of dottie ponedel make up artist to the stars About Face is Hackworth's first book, the one he really wanted to write, and a damn fine memoir about loving the Army, building a career, and then burning it to the ground after decades of systemic betrayals. Hackworth grew up as an orphan in California, and lied about his age to join the Army in 1946, when most people were glad to be getting out.
