broken families dreams and hopes Abiogenesis, or informally the origin of life, is the natural process by which life has arisen from non-living matter, such as simple organic compounds. While the details of this process are still unknown, the prevailing scientific hypothesis is that the transition from non-living to living entities was not a single event, but a gradual process of increasing complexity that involved molecular ...

broken families dreams and hopes I try hard to avoid the "hidden gem" golfing cliché. For starters, there will be countless golfers that are already well aware of the delights on offer at Piltdown Golf Club in East Sussex, and, no doubt, the lovely courses at nearby Crowborough Beacon and Royal Ashdown Forest that make up this glorious triumvirate of heathland classics. I will concede that there are better known courses ...
