kelby the halfling princess The Exiled Halflings. King Connolly IV (really more of a minor lord) ruled over a small fiefdom of several thousand, his knights barely numbering two dozen. It was a fairly boring and mundane farming community with a small side industry in timber. There was also a fairly large halfling community (several hundred) under his rule.

kelby the halfling princess of their group, Regis the halfling, in tow. So much had happened in those few weeks; Harkle's entire world had been turned upside down by an odd mixture of heroes from a distant, forlorn land called Icewind Dale, and by a beautiful young woman who could not be blamed. And by the lie that was his deepest love.
