last things first things The epic history of consumption, and the goods that have transformed our lives over the past 600 years. What we consume has become the defining feature of our lives: our economies live or die by spending, we are treated more as consumers than workers, and even public services are presented to us as products in a supermarket.

last things first things In order to master the Rubik's cube you've got to memorize a lot of stuff. Currently, there are a ton of web and video tutorials out there on the web, but very few of them offer a printable version of their information. So I made it my mission to compile all the best information from various tutorials on easy to read PDF files so you can print them out, write on them, get them dirty, tear ...
