the believer issue 119 Etymology. The word **kāfir** is the active participle of the root K-F-R. As a pre-Islamic term it described farmers burying seeds in the ground. One of its applications in the Quran is also the same meaning as farmer. Since farmers cover the seeds with soil while planting, the word **kāfir** implies a person who hides or covers. Ideologically, it implies a person who hides or covers the truth.

the believer issue 119 Ideological foundations. The ideology of the SS was built upon and mainly congruent with Nazi ideology. At its center laid the belief in a superior "Nordic race" and the "inferiority" of other races. The SS also served as the central institution for the extension of Nazi ideology and its realisation. Representing the ideological opponents of the regime in one form or fashion, historian George C ...
